

## Revitalizing Your Chapter After Covid Discussion:

Fears (during the start of Covid and when students first returned to the house; whether fears were realized or not):

- Condition of house
- Knowledge loss
- Policy adherence and continuing restrictions
  - Resulting bad press
- No reunions / loss of alumni cohesion
- Recruitment reduction and retention
- Continued remote learning activities
- Chapter coherence
- Financial Losses
- MIT Support
- Undergraduate leadership development

Goals (looking forward):

- Raise standards for facilities
- Improve alumni engagement
- Resolve alum/undergraduate recruitment goals
- Accept spring recruitment (fraternities)
- Implement AILG support system
- Increase awareness of FSILGs on campus
- Better press!

Concerns (ongoing):

- Recruitment and retention
- Maintaining good habits
- Faculty support
