

Hello AILG IT Committee people,

Here are some very brief notes for the **February 17 AILG-IT Committee Meeting**.

**Attendees:** Pam Gannon, John Morgante, Brian Stephens, Scott Klemm, Bob Ferrara

**Review of December 9 Meeting minutes.**

One action item remains to be completed but it is not urgent:

**ACTION ITEM:** IS&T/DSL Annual meeting - For now, postponed indefinitely.

**Status of inspections & equipment check under Network Management Program (effective 7/1).**

All inspections have been completed and all penalty fees will be waived.

**Update on plans for replacement of Wireless Network Switches.**

Still postponed due to lack of availability of equipment. The plan is still for the IRDF to buy all switches and have the FCI to reimburse the IRDF 50% of costs (which will be collected from FSILGs).

**Any updates from IS&T on new initiatives.**

WAP has been completely wrapped up. .

**Status of IRDF and AILG web sites.**

Pam is looking to re-host the IRDF web site on Drupal.

**VOIP updates – if any.**

Nothing new.

The next meeting is **Thursday, April 14 at 3PM** via Zoom

Respectfully submitted, Bob Xavier & Bob Ferrara, Co-chairs, AILG IT Committee
