2022/23 AILG Areas of Focus

Member Support Initiative

- A way to assist organizations in need, particularly when they are not aware
- Three main tasks:
 - What are the *risk factors* that we're worried about?
 - How do we *identify* organizations at risk?
 - What is the *process to help* the organization recover?
- Note: Asking for advice is the domain of the Peer Visit Program

2022/23 AILG Areas of Focus

Sustainability Working Group

- **The goal of the initiative** is to better understand the present campus experience so the FSILG community can stay competitive
- **The working group** will dive into this in detail to issue recommendations to the community
 - What are campus offerings?
 - How do FSILGs compare?
 - How do we match/improve?
