

Meeting of the AILG Accreditation Committee

11/2/17

present: Ernie Sabine, John Covert (called in), Bob Ferrara, Herman Marshall, Brad Badgley, Liz Jason, Steve Carhart (called in)

1- Minutes of the last meeting -- Approved

2- Status of upcoming reviews (see recent message from John)

All good but the DTD report is delayed (Stan is the scribe). They need a push. No sorority alumni were available for the review of APhi.

3- Annual report for 2016-17

Items should have an introductory paragraph for each of the two sections. Herman will provide the pdf of the list of lessons learned and best practices for the Accreditation web site and send a notice out about it to the AILG. The FSILG office is developing an on-line platform with a similar goal.

4- Continuing work on customized BDFs for PanHel & ILGs

Kim reported via e-mail that she is working on getting a group of PanHel folks together and had one signed on: Melissa of DPhiE. Ernie reached out to Alice L and someone from #6.

5- Slight modification of the review report format (HLM mail)

Not going to change the report structure for this week. We will roll it out with more notice by talking to the Board and possibly implementing a new form next term. For now, we'll work on asking for reviewers to call out Best Practices or Lessons Learned that might generally apply to other living groups.

Next meeting: Dec. 7 at 4PM.
