

**Report of the AILG IT/Telecomm Committee,
a new subcommittee of AILG Facilities Committee
April 11, 2007**

1. Presented a successful IT/Telecomm 101 IAP Course in January - 15 student attendees

2. Deepening relationship with MIT's IS&T (Information Systems & Technology Dept).
 - Maintain ILG net contacts list
 - Plan Summer & Fall IT Orientations
 - Discuss and advise on policy questions
 - Monitor fiber usage
 - Investigate cable/satellite TV options
 - Promote IS&T guides & resources
 - Seek "pilot" opportunities (e.g. VOIP)

3. With FSILG Cooperative, recommend and oversee IT Contractors.
 - Maintain qualified vendor list
 - Monitor contractor work
 - Assist with IRDF Applications

Questions can be addressed to committee members or to ailg-it (at) mit.edu. The current committee consists of Ash Dyer '06 Chair, Bob Ferrara '67, Craig Rothman '05, Alicia Hunt '94, John Covert, Oliver Thomas '94 IS&T, and Stuart Peloquin IS&T. New members with technical expertise are very welcome.
