NMP updates: Final document is circulated and approved. Scott will invoice houses & highlight the two main changes: 5% rate increase and \$200/semester refundable inspection fee. NAT readdressing: help desk has gotten some student questions! Good news, they read our email. FSILGs will be readdressed tonight, Thursday 6/13. IS&T help desk is ready.

Jessie is stepping down as chair of the committee; The Bobs (Ferrara and Xavier) will take over. Thank you Bobs!
