Hi all-- Sorry for the late reminder; I got a little thrown off due to the meeting with Suzy tonight. We do have our **normally scheduled Board meeting this Thursday (tomorrow) at 6pm ET**. That being said, if a large number of Board members and committee chairs cannot make it we can look to postpone.

In normal times this would be our short meeting followed by the holiday party, but alas. I propose we keep it short and focus almost entirely on the topic of Suzy's announcement.
