

Announcements – AILG Plenary September 23, 2021 DRAFT

AILG Directory – complete!

Pdf version will be sent out to the mitailg list.

Additional copies can be requested from Pam Gannon, pmgannon@mit.edu

MIT Alumni Leadership Conference (ALC)

September 23-25, 2021

There's still time to sign up!

<https://alum.mit.edu/alc/schedule>

2021 MIT Virtual Fall Career Fair Series

September 28, 28; October 6

<https://career-fair.mit.edu/>

Virtual Family Week

October 26-29, 2021

Events can be virtual or in person. MIT Alumni Association can provide a zoom account if needed.

This sign-up form should be used for those who want to post their event on the MIT Family Week web site:

<https://alumic.mit.edu/s/1314/17form/interior.aspx?sid=1314&gid=13&pgid=57999&cid=95290>

Reconciliations and Reimbursements / EOGs

Spring 2021 Reconciliations and Summer 2021 Reimbursements are in progress.

A final reconciliation will be due on October 15, 2021.

EOG applications will not be issued until each chapter's final reconciliation is complete.

FCI

All Boston Fire Department (BFD) inspections occurred this week with the new BFD inspector. Aside from the usual boiler room detritus in some buildings, he drew attention to inconsistent emergency-related signage. The BSF will work through the AILG Facilities Committee to address the signage-related requests.

Cambridge Health Department Inspections are being scheduled.

Please contact Scott Klemm and Josh Schuler with any questions at help@fsilg.coop

The FCI 18th Annual Meeting is being held virtually on October 20th at 7pm.

IT Committee

<http://ailg.mit.edu/committees/information-technology-committee>

Upgraded wifi systems (WAP) were installed in all houses (existing WAPs upgraded to AP43 12s and additional AP12s installed). MIT IS&T paid for these upgrades, and FCI assisted for house access. Please contact Bob Ferrara (rferrara@alum.mit.edu) or Bob Xavier (bobxavier@alum.mit.edu) with any questions.

Peer Visit Program (formerly Accreditation)

<http://ailg.mit.edu/committees/peer-visit-program-committee>

The re-imagined program focuses on peer-to-peer support for best practices to respond to today's times and challenges. PVP is planning to start with a few pilot houses this fall.

Being a peer visitor is a terrific volunteer experience! Please let Roy Russell (mrroygbiv@gmail.com) and ML Peters (mlbt@alum.mit.edu) know if you are interested in volunteering for this role or as a pilot house.

Facilities Committee

<http://ailg.mit.edu/committees/facilities-committee>

The Facilities Committee supported houses in working through the timeline and checklist for getting the FSILGs ready for a full occupancy in the Fall of 2021.

The FSILG Office hosted a student house manager training in late August.

Please contact Tom Stohlman (tstohlman@alum.mit.edu) if you have ideas for how the Facilities Committee can support houses in meeting their facilities-related responsibilities. New committee members are welcome!
